P2S REQUEST FOR INFORMATION FORM

It has come to the attention of the Information subcommittee (C45.1-2) of the Polytechnic Question Society that you desire information from us. In order to help us answer your vaguely formed question, it is necessary for you to give us more detailed information about your question(s). We are enclosing this form to help you supply us with the information we need. Because of the large number and the diverse nature of the questions we process each week, it has become both necessary and sufficient for us to use this single all-encompassing form. Therefore there may be questions which do not directly pertain to your request; please answer those and only those questions which are applicable.

Please Do Not Write Above This Line

Because of the optical character recognition process we use, please fill out this form in No. 2 graphite pencil or red crayon.
